

ILSI

ANTITRUST STATEMENT

The Branches and Institutes of ILSI, including their respective Boards of Trustees, Scientific Advisors, Scientific Directors, Members, Committees, Subcommittees, Task Forces, and Working Groups, meet to promote understanding and resolution of significant health, nutrition, and safety issues that confront the public, industry, and government. With this goal in mind, ILSI meetings should be occasions where members' representatives and other invited participants:

1. Discuss scientific solutions to problems affecting the health, nutrition, and safety of the public.
2. Develop means to contribute to proper analysis of public health, nutrition, and safety issues by regulatory bodies.
3. Review industrial activities and problems with implications for public health, nutrition, and safety, and review new scientific developments.
4. Support and promote research and educational programs to enhance public health, nutrition, and safety.
5. Develop objective and voluntary industry standards to promote health and safety and compliance with regulatory requirements.

ILSI meetings shall not be occasions where members' representatives and other invited participants:

1. Discuss prices or pricing policies, or any marketing policy with a direct or indirect effect on pricing or any other terms of sale.
2. Confer about division or allocation of sales territories or customers.
3. Establish blacklists or boycotts of suppliers, purchasers, or competitors.
4. Coerce members to implement particular programs or policies.
5. Resolve problems unique to a single member or a small, select group of members.
6. Exchange or disseminate information relating to costs of production, distribution, or marketing.
